# Our Usual Role

To provide our Clients with missing expertise

Show Stopper

An  
Algorithm

Complex  
Scientific  
Program

# It's Been That Way

—

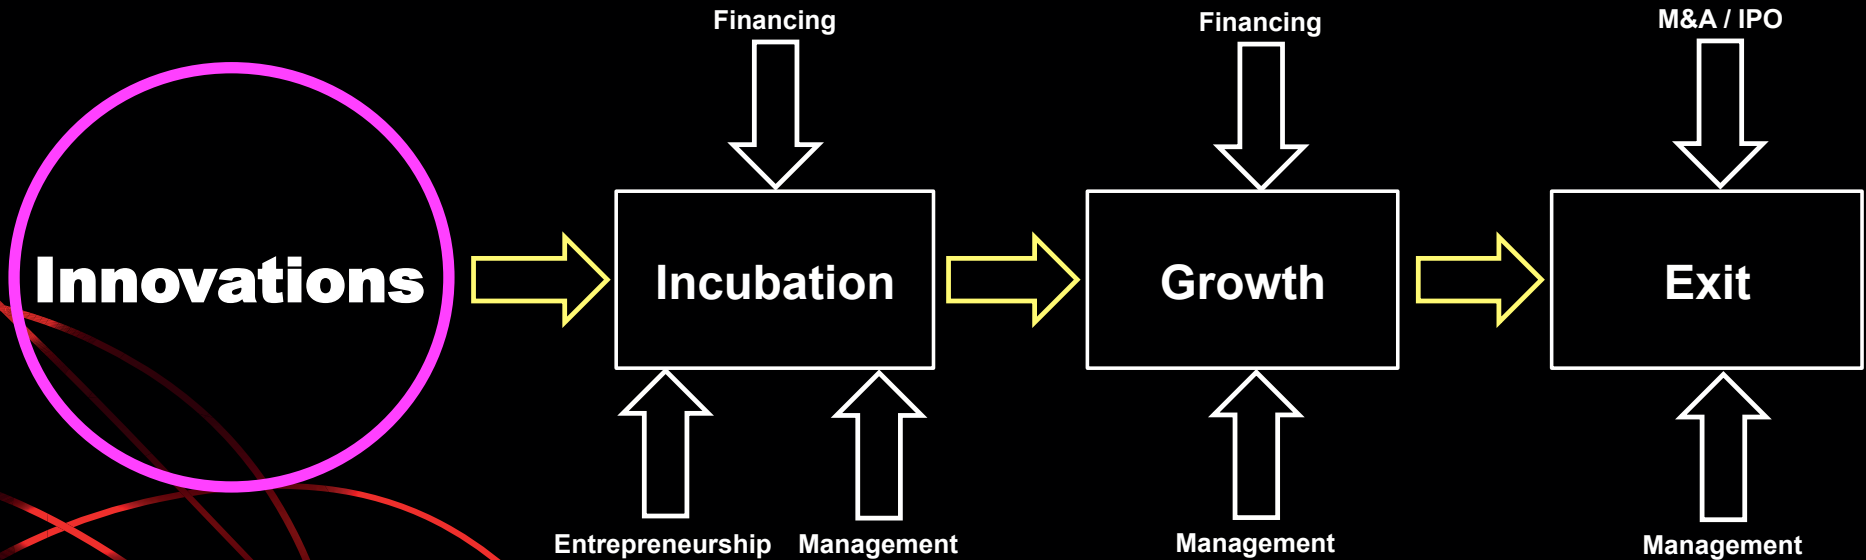

# *Which Brings Me To My Today's Topic*

***Texas Institute of Science***

# Startup Creation

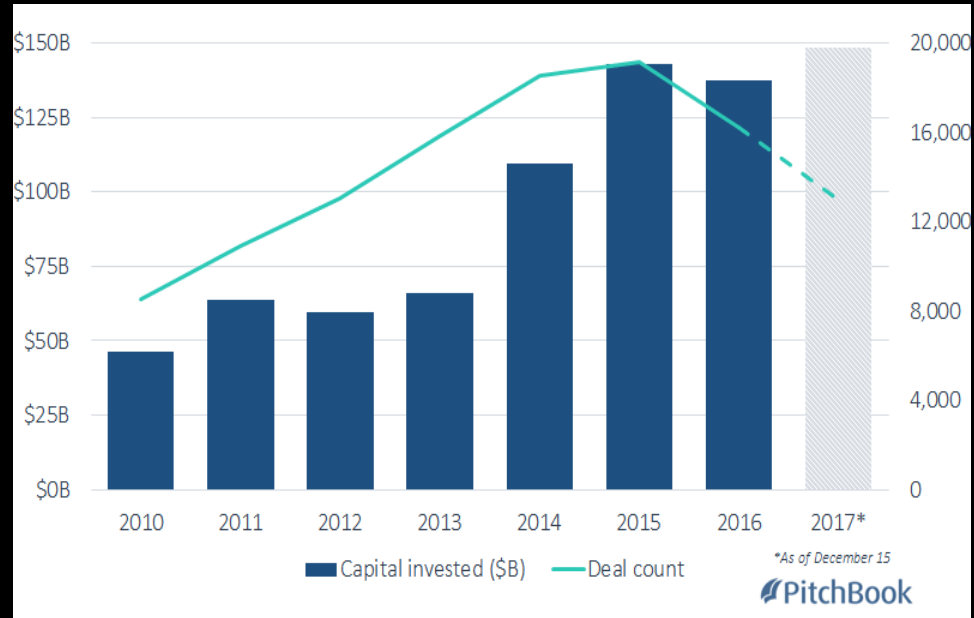

**VC Backed Startup Failure Rate**  
**30% - 80%**

# US Backdrop

“Money has become a commodity”

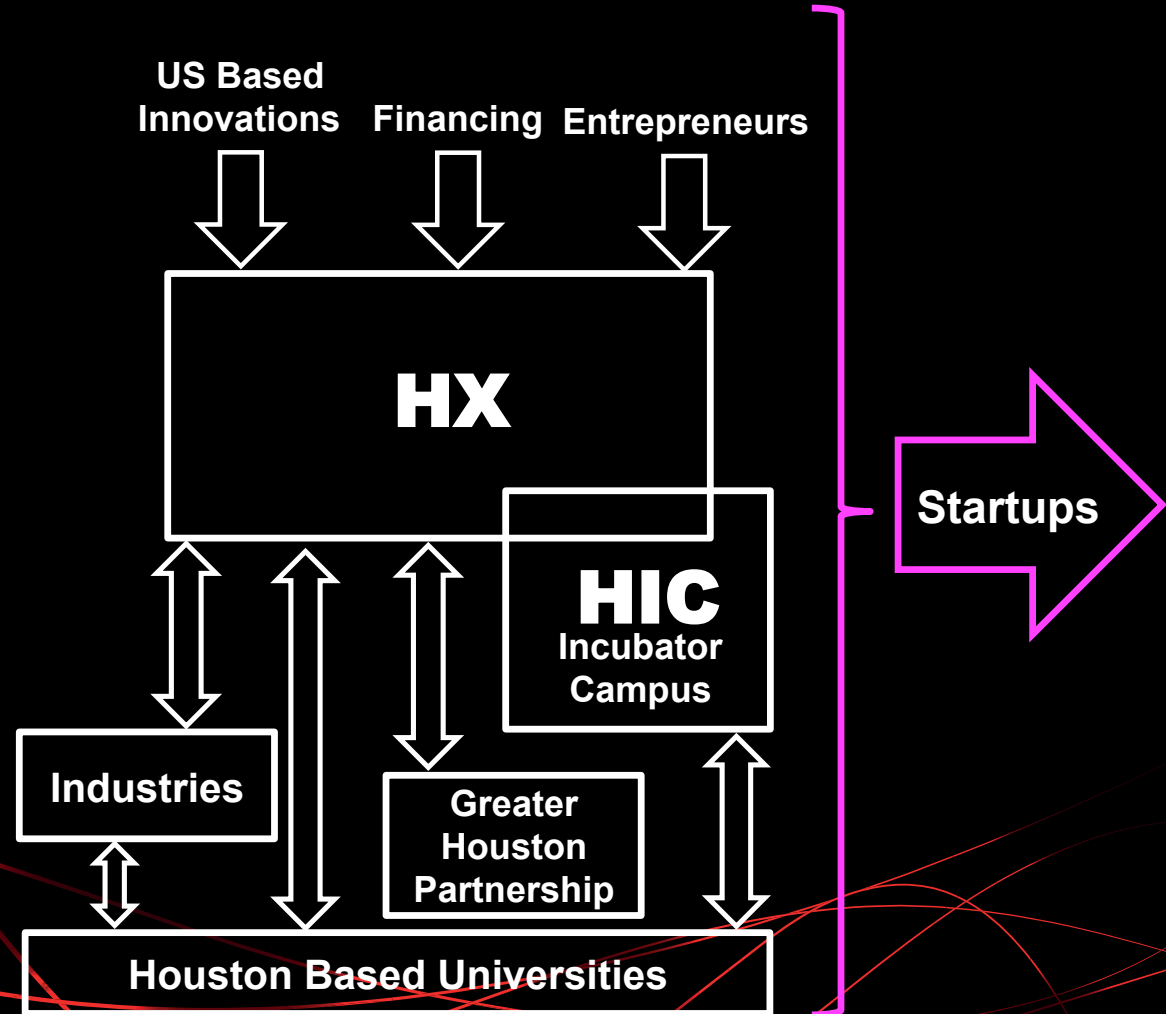

**Increasing**  
amount of VC funding is  
chasing

**Decreasing**  
number of deals

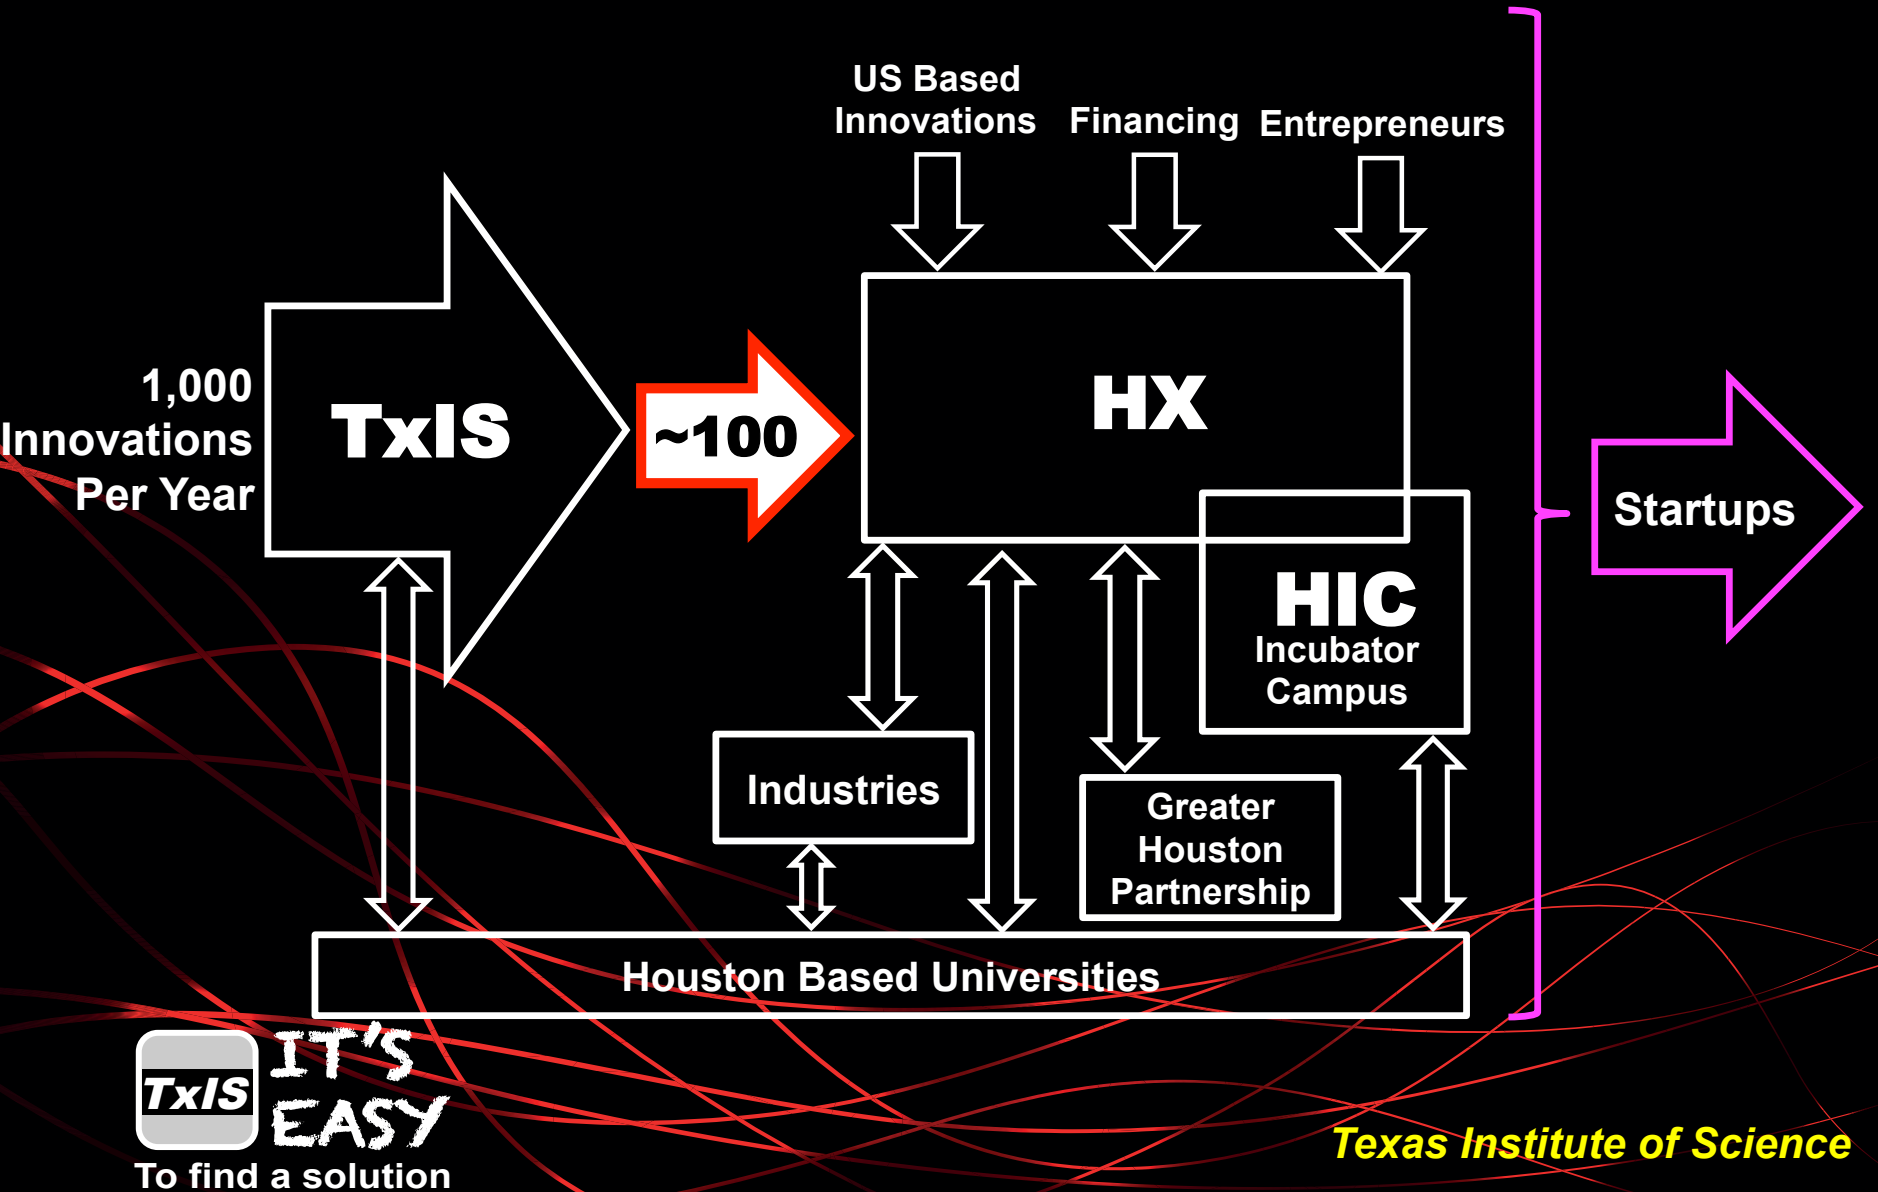

**Constant Input Of Large Quantity, High Value Innovations  
Is Critical**

# Houston's IP & Startup HUB

# Houston's IP & Startup HUB

***We are very excited !***

***TxIS is the only company with IP mining  
capacity of ~1,000 innovations / year***
